

Smart Money Trading Playbook

SMART MONEY BOOK - SAMPLE STUDY RESOURCE

This is a mock PDF for the initial website preview.

Replace this sample with your own published book or strategy.

Study checklist:

1. Identify the higher-timeframe narrative.
2. Mark relevant liquidity and price zones.
3. Wait for your predefined confirmation.
4. Define invalidation and a fixed risk budget.
5. Journal the outcome and review failed examples.

Educational material only. Trading involves risk.
